“BRAVO! is more than a restaurant... it is an attitude. It is the affirmation of excellence. At BRAVO!, we strive for unparalleled quality and absolute precision in every step of our service. We source the finest raw ingredients, prepare them by hand using creative recipes and time-honored processes, and serve an attractive, flavorful creation to our guests with confidence and grace. We hold in high regard the local honors and national awards to which we have been bestowed, and we uphold a company culture which celebrates and rewards personal excellence and collaborative effort. The BRAVO! staff is committed to mastery of vocation and brilliance in execution.”

At its heart, a restaurant is a service-oriented business. As such, successful restaurants continually focus on training and maintaining a staff of the highest quality. The goal is to make the dining experience truly exceptional from start to finish.

In order to realize this goal, the BRAVO! staff is carefully selected. We hire sincere, hard-working, friendly, and capable individuals. Once chosen, we comprehensively train each person in all aspects of BRAVO! food production, cooking techniques, wine and beverage knowledge, and service skills. As a BRAVO! team member, you will be required to attend intensive training sessions that detail the BRAVO! method of service and food preparation. Oral and written tests are administered from time to time to ensure employee comprehension. Daily, pre-shift overviews cover any changes and/or problems. Periodic training updates and food/wine samplings serve to further develop the skills of our staff.

If you are offered a position to join the BRAVO! team, you will be charged with the responsibility to uphold our high standards. We demand the highest level of integrity and professionalism from our staff.

Anyone who lacks passion for working with people will not do well here...
Our employees thrive on customer contact and display
a positive “can do” attitude in all their dealings.

This is lot to live up to, but those who work here and live by these principles will tell you that at BRAVO!, you will learn more than you ever anticipated, you will earn more than you expected, and you will have more fun working than you can imagine.

We thank you again for your interest, and hope that you “have what it takes” to become a member of our high performance team.
